Burns Cold Forge
9312 Arrow Road N.W.
Minerva, Ohio 44657

January 26, 1984

Attn: Mr. Sid Williams

Dear Sir:

On December 15, 1983, I conducted a hazardous waste inspection of the Burns Cold Forge facility located at 9312 Arrow Road in Minerva, Ohio. Mr. Gary Blasiman and you represented this facility during the inspection. The facility was inspected for compliance with both State and Federal regulations for the handling of hazardous wastes. The following violations and/or concerns were noted during this inspection:

<u>Description of Violation or Concern</u>	<u>Regulation</u>
1. All employees handling hazardous wastes must receive training at least on an annual basis.	OAC 3745-65-16
2. Each employee handling hazardous wastes must have a job title with a written job description and the employee training records must be documented.	OAC 3745-65-16
3. Facility must have a complete Contingency Plan as required by the regulations.	OAC 3745-65-52
4. Documented daily inspections must be conducted on the tank levels and freeboard.	OAC 3745-66-94
5. Documented weekly inspections must be conducted on the tank construction materials and containment structures.	OAC 3745-66-94

Please submit documentation for corrections of these above violations to my attention at the Ohio EPA, Northeast District Office within 30 days after receipt of this letter.
